1. The purpose of this modification is to make changes to Sections B and J of the contract.
2. The contract is modified as follows:

Section B:

- a) Section B.4.1.5.1.1 is modified to read "As new NSCs are created, the contractor shall use GSA Systems to update Tables B.4.1.6 and B.4.1.7 as needed to facilitate the validation of orders and invoices."
- b) Section B.4.1.6 is modified to remove the last sentence from the section.

Section J:

- a) The Table of Contents is modified based on Section J changes.
- b) Table J.1.1.1 is modified to remove "Port" from the column titled ETS (E-LINE Port).
- c) Table J.1.2.A is modified to remove "Port" from the column titled ETS (E-LINE Port).
- d) Section J.4 is modified in the last sentence in the first paragraph to read "This section also defines requirements for submission of TO-specific pricing and catalog pricing submissions."
- e) Section J.4 is modified in the footnote to read "Modification number is not required for TO-specific submissions or catalog submissions."
- f) Section J.4.1 is modified to read "A TO-specific price for a service that is identical to a service on contract (i.e., excluding ICB prices) shall be equal to or lower than the contract price for the identical service."
- g) Section J.4.3 is deleted.
- h) Section J, Appendix A is modified under Submission Numbering Scheme to:
 - i. Remove the following:
 - "I" is an informational submission
 - ii. Read "Submission numbers ("SSSSS") shall be five digits and shall be unique for each submission."
 - iii. Read "Using version numbers after the submission number allows for all correspondence generated for a single proposed contract modification, catalog submission, or TO-specific submission to have the same submission number."
 - iv. Read "Note: It is the government's intent to keep and maintain logs of contract modification, catalog submission, and TO submission activity using this submission numbering scheme."

- i) Section J, Appendix C is modified:
- i. Under Overview to read “The complete set of current prices shall include all prices in the contract including price changes due to contract modifications, plus prices resulting from approved TO-specific submissions and catalog submissions.”
 - ii. Under Overview to read “The term **submission** refers to a contractor-generated proposal for:
 1. a contract modification,
 2. a TO-specific submission, or
 3. a catalog submission.”
 - iii. Under Overview to read “The contractor shall submit contract modification submissions, TO-specific submissions, and catalog submissions separately.”
 - iv. Under Overview to read “The contractor shall submit contract modification submissions, TO-specific submissions, and catalog submissions (initial, interim and final) via GSA Systems.”
 - v. Under Procedures to read “After award of any contract modification or approval of any TO-specific submission or catalog submission that changes a price table, the government will, as part of its process for integrating the awarded or approved price data, enter the date of execution into the price-replaced date column in all new rows created in the contract archive schema (e.g. v0_eis_archive).”
 - vi. On the Column title in Table 1 to read “notes” vs. “Notes”.
 - vii. Under Submission Contents to read “All proposals for contract modification submissions, TO-specific submissions, and catalog submissions that contain pricing data shall comply with these submission requirements; those that do not will be returned to the contractor unprocessed.”

3. The estimated dollar value of the contract remains unchanged.
